

## **Artwork Specifications for Promoscreens:**

We can use either your own still or video images (subject to format and quality).

### **Technical Information:**

Our systems use the latest in digital media innovation.

The artwork can be supplied in the following formats:

- Power Point
- Flash
- Mpegs (Quicktime)
- DVDs

These will then be looped on the Promoscreen and the advert will rotate in a back to back fashion, playing constantly.
